“ Doug, Brenda, and Mr. Pickett,  
I am so sorry for the loss of such a wonderful girl. Tiffany was a sweet girl with an infectious laugh and smile that could light up the darkest of days. She had a huge heart and could always make me smile. I did not know her long, but am thankful that the lord put me in touch with your family so that i may have known her and all of you. She was always so nice to me and made me feel welcome every time i came in the house. I consider her not just a person i knew, but a true friend. God be with you all in this time of need. I am as always praying for you all.
