“ Timmy, you were blessed with so many people that loved you. I treasured our friendship and the times that I got to spend with you, working and playing. The world's just not as interesting and welcoming as it was when you and little brother Mikey were still here.

I remember the little blonde haired kid that cussed like a sailor and delivered the neighborhood it's News Sentinel. I remember you telling me and Darryl that you were getting married that same day by Judge Langley, I remember you getting me a job working with you in Coal Hill, what a great time we had each day. I remember how proud you were when baby Jaime was born.

Brother... I miss you.

“ Last night I said goodbye to my friend. Tin and I lived across the street from each other when we were growing up. We started kindergarten together and continued through school together to graduation. We went our separate ways after graduation but each time we met again it was just like it was when we were young. Once a friend always a friend that's how it was with Tim. I will miss you and miss hearing you say "hello Kell Bell". Rest in peace!

*Love you always,

“ Tim was one of the good guys. When ever I needed an extra hand he was always willing to help. I only knew him for a short time, he was at the 3025E office with me for several months. In that short period of time I came to think of him as a good friend. I miss him very much and I can't tell you how sorry I am for your loss.

“ *Heartfelt Sympathy to the Futrell family!
I have known Tim for a number of years at SEG, GTS Duratek,
Duratek, and Energy Solutions. He was always a wonderful person
to have around. His whole life was his daughters. You could see the
joy in his face when he would talk about his daughters. Everyone
that knew Tim knows we have lost a wonderful friend. Weeping may
endureth for a night, but joy cometh in the morning!*

“ Tim was a good friend and a true friend. He never once had ever said a negative word to me in my life. He was always smiling at anytime I had seen him and quick to say "hey Rick, how are you doing?" while extending his hand to shake. He was married to my aunt Robin McGhee who was as nice a person too as Tim was. He loved her and was good to her. Jami, his and Robin's daughter, is a wonderful result of the two of them. Unfortunately, we lost Robin, and now, so disheartening, we have lost Tim. Our hearts hurt and we miss and will miss them both until we see them again in Heaven. I knew Bill Tim's daddy. He is a friend and a gentleman as Tim was. You can see that Bill taught Tim well to respect and to befriend others.

“ To the Futrell and Mayton Families - May God reach down and give you peace and comfort in this time of great loss. Tim was a special person, and he will be greatly missed. I enjoyed sitting with you at the hospital and hearing you tell stories of what a cut-up Tim was, just like his Uncle Paul. It is evident from the notes left that Tim's memory will leave a wonderful, lasting impression on all who knew him. My heart breaks for the family and friends who were blessed to know Tim. I had just seen Tim on Tuesday, and it's hard to believe that he's gone. But we can look forward to seeing him again. Jesus will keep him safe until that time. God be with all of you during this difficult time. You will continue to be in my family's thoughts and prayers.

Rest in peace Tim. Love you.

“ Everytime I saw Tim, he had a big ole grin on his face. With a smile on my face,I have to say when he was younger that meant he might have been up to some mischief...nothing bag, just mischief. I kept him one summer and he was a handful to keep up with. Had I tried to do it for more summers, I might have been skinny in my young adult life. He would grin in later years when he saw me because he knew he got by with a thing or two that summer I babysat him. My heart aches for all of us that know he is gone from us here but we can rejoice in knowing that Jesus is letting him throw a few rocks and hide around a few mansions in heaven. RIP Tim.

“ Words cannot adequately express the heartache that I felt when I learned of Tim's death. Even though we had lost touch through the years, we had recently reconnected, and I am so grateful that we had that opportunity. Tim was one of the kindest people whom I have ever known, and he will always hold a special place in my heart. I have so many special memories of the time we spent together and I love him dearly...My prayers go out to his family, I cannot imagine the pain they must be feeling....

His demeanor and abilities were a great asset to have in the workplace. He will surely be missed by all who knew him. On a more personal note, Fute's awesome homemade pizza and BBQ ribs will always come to mind whenever I dine on these things that will forever remind me of him. My condolences go out to Fute's family, for I can only imagine the difficulty of your loss. God Bless.

Romans 8:38-39 For I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, nor height nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord.

“ I had only been blessed with knowing Tim for the last 8 or 9 months but he very quickly became a very close and dear friend of mine. We worked side by side on a daily basis. He was always talking about his family and especially how proud he was of his daughters. Tim will be dearly missed and there will forever be a void in my heart for him. Tim's family is in my thoughts and prayers and I pray they can find joy in the memories of Tim in such a time of sadness.
