“ You will be greatly missed Lil Timmy....I love you and am thankful that you were a part of my life. You were always a good friend and I never saw you without a smile on your face. I'm glad you are up there watching over us, but I would rather you be here.

“ Timmy will be missed! One of my favorite memories of him was we would be in the livingroom and Timmy would come to the door and peek inside with his hands cupped around his eyes to see inside better. He never had to knock, we would always just see his little face pressed against the window!
