“ I want the family to know just how sorry I am for their loss. Timmy will be remembered and loved for always in our hearts. He was a good father and a good friend to many. I pray this hard time gets easier for the ones that are feeling heartbroken and lost with all this. Many prayers coming your way and many hopes and sincere love to comfort you all in your time of need.

“ Timmy there's so much I wished I could say to you but sadly I'll never get to. But I'll always have all the memories. I'll never understand why God took such an amazing Father, Son, husband and friend but he did. I can't imagine the amount of heartache your 3 children are experiencing and about to go through because you were there world and they were definitely blessed with an amazing father and I know you'll be with them every second. To say that you are already missed would be a huge understatement!!!! Love you Buddy!!!!!!

“ We went to school from 4th grade to 9th grade and you made me feel welcome when I first came. As the year grew longer we became friends and played basketball and no rule football together. You was a great man and you will forever remain a friend in my heart. May you rest in peace and fly high with the angels.
