“ Twanda gave so much of herself in so many ways. When Colleen was at Jamestowne, Twanda always jumped up and helped her get to the table. When the girls visited, she was our greeter, bringing a lift to us all with her smile and enthusiasm. She was a special light to us all as she lived her faith.

“ *I play the piano at Jamestown on a monthly basses. We miss her smile and hand-clapping after a familiar hymn was played...and would often sing along.*

Today, I was there and we remembered her with her enthusasism for life.
