“ My name is Ryan King. Valerie was my mother. She showed so much strength throughout the last several years. She fought so hard and never gave up hope or her faith in God. She fought the good fight and always put others first even though in most cases she was in worse shape than they were. I love you mother and I miss you very much. Your journey on this Earth may be over but you will never be forgotten and I will see you again on the other side. Thank you for all the guidance and lessons you taught me over the years. I love you

I did not know Valerie, but I have become a part of the family in the past three years, and have met Mariam and Kim, and of course, Rayford, and just a month ago, Mike. I have heard many wonderful things about her, and knowing you all has been a blessing. Ryan, sad for your loss, of course. May the Good Lord give you all comfort this day.
