“ Dear Patricia,
My heart goes out to you and I am truly sorry for your loss, but we must realize that God's plan for your Mother is done here. She has gone to a better place without pain, to rest.
I know first hand how difficult it is to give up a Mother.
In fact, Vera reminded me of my own Mother at times, a real "fire cracker" . I will never forget the last time I saw her and she commented on my outfit and said she liked the emerald green color. Then she smiled at me and laughed, and said "Now don't give that to me like you did the blouse you had on the last time you were here, it was a little big on me, but I enjoyed that blouse". She definitely had a sense of humor, and that is how I will remember her, smiling and happy.
My thoughts and prayers are with you, especially during this difficult time and always. . .
Love you, Scarlett
