“ I really didn't know Vera to well but her beautiful sister Beverly had done everything in her power to make Vera comfortable during her time of sickness and pain. Vera can now enjoy the freedom without all the pain. And Beverly I know you are going through a big loss, for a long time you have been Veras caregiver now it's time for you to take care of yourself. If you need anything I'll always be in your corner, so just ask....Beverly you're such a wonderful and considerate person, Vera was lucky to have such a loving sister and I'm also lucky to have a good friend in you. Vera may you soar above the clouds and you can now Rest In Peace. Much love to the family. ❤️🌸
