“ Vicki is my first cousin and being alot younger than her she was always special to me. I spent a lot of time at Aunt Eva's house and was like the kid sister. After her and Jack married and had Terri, I would spend time at their house playing with Terri. I loved Terri like she was my special baby alive doll. Prayers of comfort are with the family at this time. I love you all. Faffie

“ Terri,

What an amazing woman - her contagious smile and love of life. I can never remember a time when I talked with Vicki that she wasn't talking about her Terri - how proud she was of you.. Those Easter women are spirited aren't they-I had one. I can hear your Mother asking how is Peggy and R.H. doing. Sending up prayers for you in the days to follow my friend and know that you are loved. Let's talk soon.
