“ She was always so sweet and kind and was the reason I enjoyed Christmas at Big Paws! She had a way of making sure she talked to everyone and made you feel right at home.

“ I'm so glad that I got to set and talk with Miss Vicky recently at the park. I will forever remember Vicky for her kindness sweetness and daintiness also a little rough around the edges. I had the honor of growing up with her youngest Racheal aka Fro!! I definitely had some memorable moments throughout my life or should I say younger years going to Jerry's and Miss Vicky's house I was always so intimidated but they always welcome me with open arms. Throughout the years Miss Vicki was always checking on me through Racheal. I have to say I was always a little jealous of fro growing up playing ball because she has really great parents. I loved to go sit in the living room with Vicky and Jerry listen to them bicker back and forth. I got to experience a lot of fun memories. I even got to have a cigarette or two when I would come over but then of course she would turn around and fuss at me for smoking them. I definitely have a lot of fond memories of the Renfros!! Ms Vicky definitely was the matriarch of the family. I know her wings are big and beautiful because she was such a kind soul. Thank you Miss Vicky for sharing your family with me. This time of year always reminds me of her because she was one heck of a cook. May she rest in peace for all eternity I love you Miss Vicky!

I'm so sorry for your loss. Y'all are in my prayers. I have so many fond memories of when Vickie and I ran around together growing up. We went back and forth from Grannies house to my house. We had so many laughs riding around. I loved her. She was a special friend.
