“ *My sweet mommy. I love and miss you so much. Not a day goes by without a thought or remembrance of you. My heart still aches with sadness, memories and love. I continue to put on my smiling face and cover my pain of losing you. I know you would want me to continue living my life, but mom, it's so hard to do without being able to call and ask for advice when i need it.. its just hard not seeing you or talking to you. I want to say its unfair but that is selfish of me to say... Mom, I miss you so much... I love you and you will be forever in my heart... RIP my beautiful mother... love, your baby girl....*
