“ *Don and Donnie:*

Virgie was such a special person. She was so good to us during our early years and we had a lot of good times together (going to the Tiny Tot for a coke, roller skating and the car races). She will be greatly missed by many people as she touched so many lives. It is a blessing to know that today she is with our Heavenly Father and free from pain. May you reach out to God during this time of sorrow and know that he is there for you also. Just call upon him. I am sorry that I am unable to attend the funeral since I am now working out of town. But my prayers are with you.
