“ Miss Bonnie & Diana,
Ray had such a presence about him--unique,
strong, yet very gentle. The love he had for
family, his protective nature, his sense of
humor were only small parts of what drew
people instantly to him. We knew immediately that if this man
became our friend, he would be a "forever" friend, and we always
felt fortunate to be counted as such. The many accomplishments in
his life show he lived a full, very rich life, with many sacrifices, yet
many blessings, as well. His passing will leave a void in our lives,
but each time we think of him or see you and Diana, we will smile
because he will live in you forever and we will remember the
"comfortable" way he had about him and the pride with which he
lived his life. Miss Bonnie, we ask God to hold you, Diana and the
rest of your family especially close during this time of loss.

“ His service for this Country with the United States Air Force the
DOE and the Police agency's, although seemingly unappreciative
and most of the time done without much notice, bells and whistles
for the most part, was noticed by those it meant the most to. The
sleepless nights, the many hours away from family and friends, lack
of food or poor meals, bad weather and the many hours of training
so that potentially a life may be saved or a Terrorist attack avoided,
his selflessness and Character is what made him respected by his
Brothers, Sisters and Family who relied on his Presence,
Knowledge and Direction in a seemingly Chaotic World will leave a
huge void for many. Virgil I wish you Peace with your God in
Heaven. Thomas McIntyre
