“ *Melissa and Ginny:
I'm sorry to learn of the passing of your grandmother. I'm certain that she was a lovely lady to have produced such two fine granddaughters. I wish I had know of her passing in time to attend the funeral. My thoughts are with you. Please let me know if I can do anything.*

“ Dear Buddy -- I just heard about your mom's passing. Your mom told me that my Dad (Gay Smith) gave her a nickname and it made her laugh -- he called her VA. My mom, Phyllis, loved your momma. I'm sad that I won't be able to see your mom when I visit Kingston and the wonderful folks there, but I know that there was a celebration in heaven when VA arrived!! I am praying for you and your family!

“ Dear Buddy, Elizabeth, and your families,
Virginia was one of my favorite people. She was such an influence on others with her great smile. I enjoyed knowing her in several things at church and she was always smiling.
I may not be able to come to the funeral but I wanted you to know how much I'm going to miss her.
We will see her again, when we join her in Heaven.
