“ *I love Virginia. When Mom (Sally Lankford) was in the hospital after her initial cancer diagnosis in 2012, she called me on the phone and told me that Mom was her friend. She said that she cared for her friends very much and was praying for Mom. I knew that she meant it and I felt the support of a strong prayer warrior. She will be greatly missed. “ Mrs. Pomfret was my mother's hairdresser for many years. Weekly visits with Virginia included their friend Evelyn Hobgood. These two ladies took art/painting classes together and my mother had paintings given to her from both of them. Mrs. Pomfret also did a painting for me and my husband as a wedding gift in 1975. I was able to visit at length with Mrs. Pomfret at a physical rehab center in Knoxville as both of us recovered from surgeries..we caught up on all the news of our families..she was such a sweet lady. My sincere sympathies to the family on your loss.
