“*Vivian was not only a cousin she was a dear friend. During the days of WWII her dad was in the Army in France and Germany so our family included Vivian, her brother Warren, their mother Esma, our uncle Ted and his family when we visited grandparents, each other (all three families lived in Sweetwater), or attended special gatherings. This togetherness created a very strong bond between the families that continues today.*

My wife, Mary Ruth and I want Vivian's children and their families to know that our thoughts and prayers have been and continue to be with you. We love you and wish you peace. May God be with you.

“ Vivian was my friend and tour guide to see the U.S. as she had kids and grand-kids spread out! Vivian and I went to Oklahoma and New York in a Ford Festiva without air conditioning. We picked up grand-kids, their wears and their tank of fuzzy critters transporting them from the East to the West Coast. It truly was like that song Johnny Cash sang about being everywhere! Many fond memories of her, her children; and other relatives as I have been in many of the family's homes. Vivian was there during the awkward years of my life--the 'first love' break-ups; and the passing of one that was so close to my heart. Her bright smile, display of care; and ease of laughter will never be forgotten! I told her eldest son that she lived for her family. She now awaits the arrival of us all as we journey along on the greatest trip toward Heaven to meet her! Love and prayers extend to family and friends as we cope with the loss of this great, well traveled, lady...

“ I was blessed to have known and befriended by Vivian. She was a good friend and we spent many good times together. Having just graduated from high school we spent a week with my sister in Knoxville, looking for a job. However, we only went to one place and they weren't needing anyone. We gave up the search and just spent the time (when my sister was at work) enjoying Knoxville! We had laughs later about our serious job hunting!
She was a wonderful Christian girl and we enjoyed good clean fun! I look forward to seeing her again in the Kingdom of Our Lord and Savior Jesus Christ! Family, She was loved very much by those who knew her.....and you will see her again if you know Christ as she did!!!!
MY LOVE AND PRAYERS TO ALL!

“ My husband and I were coworkers and friends of Vivians. We worked with her at the Morgantown WV JCPenney. She was a Training Supervisor and touched many lives with her knowledge and always had such a great sense of humor. She is still missed at the store. May you and your family find comfort in all the great memories you must have with her. Heaven has gained another angel.
