“ My prayers are with the family. My son is in the same class as Julie. I have talked to Wallace quite a few times. When you talked to him it would not be long before he was talking about the Lord and his church. Which he loved very much.

“ My brother...thank you for being an important part of my heart. I am thankful I had the opportunity to hold your body as you made your journey to Heaven. Your journey through life was difficult but much will be your rewards in Heaven. Love you and in my heart you will forever stay. The love for Julie was beyond measure...we will keep you in her life forever.
