“ Linda I'm sadden to hear of the passing of your father. Mr. Stone was a good man with a generous heart. I will never forget when he and your mother gave me my first job after graduating from Harriman High at Stone Appliance off Roane street. I remember going on appliance deliveries with him and he advising me about my future and asking me questions about what I was going to do in life. He had part in helping me when I was so green behind the ears on what direction in life I would take. I didn't know that he was assigned at Lowry AFB, CO the same base where I retired 1994. My prayers and thoughts are with you and your family. God bless you. Oran S. Bazel
