So sorry for the families loss. She got her promotion and is at rest with her Savior. Praying for peace and comfort to the family and friends that she left behind. I have a lot of memories from the years of growing up in South Harriman and sharing many good times with her. She will be greatly missed by all that knew and loved her. God be with the family and friends as we say goodbye to her but we will meet again. I know she was greeted by Leon and other family members waiting her arrival. John 14:1-6

Enjoyed the friendship of Wanda and she always loved singing in the choir. Wanda also loved her jewelry. She went on a trip with us to PA. and Leon was constantly on her mind and she talked fondly of him. She just missed him so badly and she too will be missed. Thoughts and prayers to the family. “ I cannot remember not knowing Wanda. The first thing I think of was her beautiful smile. She and my parents were close friends. South Harriman friends were a lot like family. I truly loved Wanda and will certainly be praying for her family and close friends.
