“ *Thank you to the family for posting so many wonderful photos. I am glad I was able to visit with him at his sister, Mary's house the few times I was in Knoxville. I loved hearing him tell stories about being a chef! He always spoke of his children and grand children with love and pride. I am also thankful that he always came to Knoxville when my mother, Emma (his sister) came to TN. Love and hugs to the family.*

“ My prayers are with all of Roy’s family. I went to the wonderful service for Roy yesterday and was so enlightened by his spiritual life he led and the loving family he and Helen have raised. The Lord has blessed Helen and Roy with many children, grand children, and great grand children.... what more could he have had? Now he is with his Lee brothers and sisters and his parents. What a grand reunion it must be. The wonderful poem the reverend recited that Roy wrote says it all. I am so blessed to have been able to attend such a touching service. I know, Helen, that you will be taken care of by your beautiful family and your caring church family as well. I hope to keep in touch more. I love you all!

God looked around his garden
and found an empty space
He looked down upon this earth
and saw your tired face
He put his arms around you
and lifted you to rest
God's garden must be beautiful
He only takes the best

“ *Too many years have passed since I last saw my Uncle Roy. We shared the occasional holiday telephone call and cards, but it would have been wonderful to see him again, to listen to family stories. May his family feel comforted by the Spiritual Love being sent to them by all who knew him. May each of us remember the gift he was to our lives. Be at peace Uncle Roy.*

“ *Sending condolences and prayers for our Lord's peace and comfort to be poured out upon all the family. I haven't seen Uncle Roy or Aunt Helen in many years. I remember them living near us in Fort Worth for a while. I was a child myself. Blessed memories of the only Lees who ever lived near us. God bless.....Susan Lee Locke
