“ *I am so sorry for your loss. I know she will be greatly missed by her family and so many others. Even though I haven't seen Willene in a number of years, I have lots of happy childhood memories of visits to Willene & Sam's house with my mom, dad & sister (Wanda, David & Angie)- first to the "house by the railroad tracks" then later to "the big new house on the hill". Willene was always so very sweet and welcoming, and Sam was always joking and teasing us. I remember a lot of smiles and laughter during our visits. I feel fortunate to have known her, and Sam as well. My thoughts and prayers are with you all.*

“ This is one lady that will remain in my heart forever. I must agree with Susan, she was a 2nd mom to all the children she kept. I have so many fond memories of staying at her house. I remember crying because I did not want to leave her. She had the kindest heart and she will be missed by so many. My prayers to Billy, Johnny and Pat and all of her family. I will always love you say hi to Sam for me till we meet again.

“ Willene was like my 2nd Mom. I always said I had 2 Moms. She started taking care of me when I was 6 weeks old. She loved me, cared for me, taught me, as if I were her very own child. I will miss her deeply, but I know she is happy to be in heaven with Sam. My thoughts and prayers go out to her family. She will be deeply missed. She was the best person in the world and my Mom was lucky to have found her and I was lucky to have known and loved her. Bye Willene, I will see you again someday.
