

William "Bill" Loyd Bradberry Jr.

February 14, 1948 - September 10, 2020

A loving husband, father and grandfather, William (Bill) Loyd Bradberry, Jr. left this earth to join his Heavenly Father on September 10, 2020. He was a man devoted to God, family and country. Born in Duluth, Georgia on February 14, 1948 to parents Claudie and Loyd, he grew up in Dacula, known as Billy, with his three younger siblings making connections with all he encountered.

Proudly serving his country in the United States Air Force, he was a life-long supporter of those in the military. He earned his associate's degree and served as the Student Body President at Truett-McConnell College and obtained his undergraduate degree from Georgia Southern University. After graduating, he was a blessing to many young athletes as a Physical Education teacher and gymnastics coach earning the title of Gwinnett County Teacher of the Year and umpiring a Little League Southern Regional Tournament before making a career change. When he moved to Sweetwater, Tennessee with his wife, Alva Jean Bradberry, in 1976 he quickly became an important member of his new community even though he remained doggedly loyal to his Georgia Bulldogs. He and his wife raised their three children in Sweetwater and he mentored many young men in his role as a baseball coach. With a successful 41-year career at Vestal Manufacturing, Bill held the positions of Traffic Manager, Sales Manager, General Manager of Sales and Purchasing Manager before his retirement in April of this year.

He was preceded in death by: infant son Kevin Bradberry, his parents William Loyd Sr. and Claudie Bradberry and grandparents William Washington and

Minnie Adline Greeson Bradberry and grandparents Lonnie Edward and Lola Mary Ann Ewing Moore.

Bill is survived by his wife of 47 years, Alva Jean Bradberry. His daughter and son-in-law Wendy and Ray Stapleton of Virginia and grandchildren Joshua and Abby. His daughter Jessica Bradberry of Maryville. His son and daughter-in-law Russ and Cambrai Bradberry of Maryville and grandsons Payce, Paxton and Palmer. His brother and sister-in-law, Ricky and Debby Bradberry of Greeneville. His sister and brother-in-law Linda and Marvin Westbrook of Dacula, GA. His sister and brother-in-law Judy and Jimmy Archer of Dacula, GA. Brother-in-law and sisters-in-law: A.J. and Sharon Smith, of Sweetwater, Rebecca Parson, of Nashville, several nieces and nephews.

Sorry for your loss losing a parent is very hard to imagine after the years of being taught right from wrong when their job is done they allow you to go out into the world and practice what they have taught you. Memories will always be in your heart forever. May god bless and continue to take away the sadness.

“ We have enjoyed coming to the Maryville Yarddogs' baseball games over the last several years to watch our grandson Jackson Miller play, and always loved sitting near the Bradberry family. It's a joy to see how much love this family has for each other. Mr. Bradbury was always at the games and enjoyed watching his grandsons play ball. He will be missed! *Kemp and Donna Wynn*

“ We have delayed writing this for a few days because sometimes there are just no words to adequately express the sadness and sense of loss experienced at the passing of someone who was so very loved by so many. He was Bill's best friend throughout school and that friendship continued though they saw each other infrequently. The love for each other shone through especially when they phoned each other. Our hearts are broken as are the hearts of all who knew him but we trust that we will see him again on heaven's shore. We send our prayers for all his family and know they have many cherished memories to sustain them. May he Rest In Peace until we meet again.

“ So very sorry, prayers are with this precious family. Bill “Billy” as we called him in high school was my very first date. We double dated with a friend and her boyfriend, we went to the Gwinnett County Fair in 1964. May God’s love give you peace and comfort during this time. He was an extraordinary person and a friend. His brother Rick was also one of my good friends. 🙏❤️ Patsy Rooks Wall

“ My sincere condolences and deepest sympathies go out to Billy's family, from Janice and I. It was a real shock to hear that Billy had passed. He and I are the same age, and we went to school in Dacula together, we graduated together in 1966. That seems so long ago, but you never forget your classmates. I always thought a lot of Billy and admired his role as an athlete with the school's athletics programs, especially basketball. I think he loved it all, but was partial back then to basketball. Many memories of Billy come to mind as I am reminded that life is so temporal. What really matters in the end is that you are a Child of God, and I think Billy was. Again, our sincere condolences to the family.
