“ For everyone who has shown their respects to me and my family since my Dad has passed away, I would personally like to thank you. I've never suffered a lost this traumatic. My heart still breaks when I realize that I will never get a phone call from him. My Dad would always call me every day, even when I didn't answer. Just to check up on me or let me know that I am loved by him very much. I never thought I would have to go through something like this, especially only being 18. He was the most amazing man I could ever ask for as my Father. Our past was rough, but we had a relationship like no other. Our love for each other; was unbreakable. I know he didn't always do the right thing, but he had a heart bigger than this world. He would always try to do good, but get caught up in life's rough troubles. He had a loving heart and was very intelligent. He might not have shown it all the time, but he was.. No one knows this, but my Dad saved a boy from a addiction. He personally messaged me on Facebook and told me that my Daddy sat him down one day and told him to stop while he was still young and could break the addiction. And he did, he hasn't touched a pill since that day. My Daddy might not have been able to save himself, but he saved someone's life. He was a beautiful man and I loved him dearly. I miss him every day, but I will always have the memories that will never fade.

“ Job 14:13-15 Life, like a mist appears for just a-day. then disappears tomorrow. All that we are , can quickly fade away . He will call, and the dead will answer.. So have faith and do not wonder, for our God can make us stand and we shall live forever. Cecelia

“ Barbara and George.
It breaks my heart to hear about Bill. We had such fun in school,he was like a brother to me.One of our best times was playing golf at emory.Last time I talk to him we talked about the good times we had.I can even remember when he would come hangout and driving that old white car that had a license plate that said Bill. Must have been his first car.So many good memories I have with your family.All of you are in my prayers.I love you

“ Bill was such a funny guy when we were growing up together. Still remember when we were kids going to a UT football game with Joe, Uncle Charlie, Leroy, and Big Bill. That was such an entertaining night. My prayers to the entire family.

“ *Best memory of Little Bill was waking up on a Saturday morning with him when we were 12/13 years old and hearing Lucie in her crib. Bill and I went to check on her and once she saw us she started yelling to get up. We changed her diaper and fed her... Then put her on a blanket in the floor with us to watch Saturday morning cartoons. Memories are wonderful things. Pictures in your mind that no one can erase :)*
My thoughts are with you Bill and Barbara. Love you my Lucie ?
