“ I remember Mr. Ken always sharing a kind word, helping me with my finances, and playing with my children when we all lived in Greeneville. He was a gentle spirit and loved to laugh. I enjoyed seeing him love his family and serve them in his daily walk with the Lord. What a blessing to anyone who met him. Thank you Lord for sharing this precious soul with the world. I know he is with you and there is no place better to be. Though I haven't seen Mr. Ken in recent years I will always have great memories of those Greeneville years when we would all spend time together. Love to all of the Cleveland family. Praying God's comfort and blessing in the days to come.
