“ I wish to express by condolences to Billy's family. My prayers are with you in this difficult time. I only knew Billy for a short time. He became a good friend who helped me with my brothers passing. He was such a good fun loving guy who would make me laugh when I was sad. He was caring and forthright. Once you became his friend he was there for you. He talked about golf and was always ready for a foursome with his buddies at Springbrook Golf Club. Goodbye Billy and Rest in Peace my friend.

“ I met in Gatlinburg. He was a good man with laughter and good times that he shared with everyone that he missed. I am sorry that he has left us but I am happy that he was able to go to a better place and be with our Father!

“ Met Billy while working in Tennessee. Became friends. I kidded him about his "Big Bird" legs and he kidded me about being short. That kidding also went into me being bald and him with a bouffant hairstyle. That friendship kept growing and so did the kidding. We will miss him dearly. Our prayers go out to the family.
