“ I thought of you today, but that is nothing new. I thought about you yesterday and days before that too. I think of you in silence, I often speak your name. All I have are memories and a picture in a frame. Your memory is a keepsake, from which I'll never part. God has you in his arms. I have you in my heart.

“ Uncle Tommy & family,

I am sorry for your loss, and glad to read that he is a Christian. Your Dad's house has been a landmark for my family for years as we drive "HOME" for family gatherings. I remember looking for his house and turning on the road in front. It was especially nice when he had it decorated for Christmas! We'll keep you in our prayers...
