“ I just read on-line that "Papaw Settles" went home to be with Jesus. What a precious man...I can still see in my mind's eye his face as he went about his farm work. He left a godly example for his family and I know he will be missed.

“ I was saddened to hear of Uncle Will's passing from this life to a much better life in Heaven with Jesus. His love of God was evident in his everyday life. I have fond memories of him as I was growing up, and later when we would visit him and Aunt Florence (always went home with some "goodies" from the garden) and they visited us in Houston. Winky and I, and all our family send our love and prayers. Wish we could be there with you.
