“ *My thoughts and prayers go out to Joyce, Keith, and Valerie, and the rest of the family. It's never easy losing a loved one, but we all have comfort that we will see them again in heaven thanks to our Lord Jesus Christ. We have a large family, but that's no excuse for not keeping in closer contact through the years. That is a regret that I will always have of not getting to know Stan more closely, other than just being my cousin. I am proud of who Stan was, a Christian, a teacher, and member of my family.*

“ *I was a student of Mr. Hickey's when he taught 7th grade math. It's always sad when a teacher passes away that was in your life for a school year. Couple of years ago Mr. Hickey moved to the same street as my father. He didn't know my father personally, but he did come to the funeral home when my father passed away. I loved my junior high school years & remember all of my teachers. The two things that stand out about Mr. Hickey is he loved math & the TN VOLS. Thinking of the family and especially the other Mr. Hickey-Keith who was a neighbor to my father too.*
