“ Boyd was a very nice guy to be around in High School. He was also a good football player. I am sorry for Carole and family. Boyd was easy to talk with about anything, always a gentleman. It has been years since I have seen him, but remember him very well along with our time in school and football. My heart goes out to the family for this great loss.

“ *To Carole and the Steelman family, I am so sorry to hear of Boyd's passing. Carole, Boyd and I graduated together, and I have such fond memories of 1975. We were all such crazy, but innocent kids back then. Carole, you and the family are in my prayers. I pray Jesus sends his Angel's to comfort you during this very difficult time.*

“ Sending all my love and blessings of peace during this time of transition.
It's been a long time since I've seen Boyd, but was so happy when he and Carole got together. He was a good man.
May you be encircled by loved ones.
It is always harder to be left behind.
I wish I could be there - I will be in spirit.
