He didn't just live, he lifted every room he walked into. And though his days here have ended, the joy he gave so freely lives on in all of us, turning grief into gratitude and memory into celebration. Forever Bill "Zac" will hold a special place in my heart.. Until we meet again on the other side my friend!! Love You All!!

“ I just found out that my buddy passed away and I am heartbroken. I wish I had gotten to say goodbye, but I will tell you see you later. We world lost a light, Heaven gained a Jewel. So thankful to know our Father was waiting there with open arms ready to heal you of every pain, every sorrow. I will miss you, my scarecrow, and I will see you again someday. I will ask you to please not stand on my hand in Heaven, full weight as you did the first day I met you.... there are suppose to be no more tears in Heaven after all! Ditto, Your "Dorothy"

“ I just now learned of the passing of my buddy. My heart is broken for the light we are missing in earth, but I rejoice knowing that our Heavenly Father was waiting with open arms. Very few people I have known have had as giving and caring heart. Zac, I will miss you buddy greatly and see you again someday. "Ditto!"
