“ Dear Carolyn and your whole family,

*I know what it feels like to care for a mother and then finally have to
let her go. It is never easy. I get sad when special events come that
I knew Mom loved, such as Easter. Now I talk about her to my
granddaughter so she will have positive images of her great
grandmother and that's what you will do also. You will be in my
prayers.*

“ Bobby, Carolyn, and Linda,

We have lost a great LADY. She and Bob were our dear friends for many years. We shared church services at Swan Pond, Grace and Liberty. We dearly loved those two. They have both suffered pain in this world, but thankfully, they are at rest and together in Heaven. We are so glad we got to see her in the hospital. She held out her arms for a hug and kiss, when we walked into her room. We will never forget Bob and Bill Collier.
