“ I have never met Wilma and come across this page by sheer coincidence, but my condolences go out to the family. She looks like such a sweet woman! I am sorry for your loss, but know she will be happy and healthy again in heaven! I lost my mother to Covid in 2021 and know the pain that follows, but be strong! I am sure she wouldn't want anyone to worry and would wish the best for everyone!

Thank you for letting me share my condolences with the family and I wish you all the best of luck!
