“ From the time I was little I always remember her smile and laugh. She would send me tapes of her and Glenda singing in the church choir. Zena and Glenda were so powerful in their songs. Zena would say that she just wanted to make sure the Lord heard her. One time Zena and Charles took some of us to the lake to go swimming. On the way back the kids were in the back of the truck and Charles hit a dip in the road and some of us fell out of the truck. Zena first yelled at Charles and then just laughed out loud when she saw that those of us who fell out were ok. Even though we lived in California she would call to check up on us to make sure we were doing ok. I'm thankful that I was able to see her not so long ago and tell her that I love her. My thoughts and prayers go out to the family. We love you all!!
